GDPR HOME WORKING
It’s not rocket science

Should you take work home?
It’s high risk - Did you know that some of the biggest data breaches occurred in education.

Working from home?
Have you read our policy for home working?

You must stick to the rules
Do you realise that if you don’t follow the rules on home working we can ALL get in serious trouble?

Encryption
Know what it means?
NO? Then you must not take personal data home.
